Elgin, IL 60132

Jerry & the OHH Board,

I want to thank you and your team for putting on the amazing program in Adrian, Michigan for us veterans. What a profound experience it was for me. I'm so grateful to have been given the chance to attend and to meet everyone. The equine therapy was new to me, but so truly amazingly effective! I'd like to continue to work with horses some way – and I'd love to pay it forward and volunteer to help with future programs so please keep me in mind!

Also, please tell the vendors who donated in various capacities that I can't even think of the proper words to express how grateful I am for their generosity which enabled the program to go on.

Please take care and God Bless you all.

Warmest thanks,

Jenn Johnson  
CPT, USAF (ret)
